DOMESTIC waste collection

garden waste

SMALL-SIZED, NON-WOODY GARDEN WASTE
Grass clippings, pine needles, loose leaves,
flower bouquets...

BIG WOODY GARDEN WASTE
Tree and bush trimmings

Garden waste is made up of the remains of green waste, such as grass or leaves and dry waste, such as garden trimming, which can be **degraded biologically**. They require a specific collection which differs from domestic waste collection in containers and they are **easily recyclable** if they are managed by any of the following circuits.

Individuals and communities of neighbors with up to 5 homes can use these services free of charge.

1 COLLECTION AT YOUR HOME BY APPOINTMENT

The municipal service can collect garden waste at your door.

1. Collect the big bags at the waste recycling centre
2. Fill the bags
3. Request the collection

Via the City Council's APP 
"PALAFRUGELL AL MÒBIL"

4. Place the bags in front of your house the night before the collection

The tree and bush trimming should be bagged and tied up.

The maximum volume allowed for each collection is 2 m³.

2 COLLECTION AT THE WASTE RECYCLING CENTRE

1. Bring the tree and bush trimming directly to the waste recycling centre
2. Accumulate entries with the user card

3 COMPOSTING AT HOME

1. Request the composter

Via the City Council's APP 
"PALAFRUGELL AL MÒBIL"

2. Pick it up at the waste recycling centre
3. We will explain how to properly compost at home

If you are a **COMMUNITY OF MORE THAN 5 NEIGHBORS** or a **PROFESSIONAL GARDENER**

You can bring the tree and bush trimming to:

- The waste recycling centre, paying the corresponding taxes or...
- Contact an approved garden waste manager

DISCOUNT ON THE GARBAGE COLLECTION TAX

- For using the waste recycling centre 6 times per year during different months: 30% discount
- Composting at home: 25% discount
- Combination of the two above: 60% discount

IT IS NOT ALLOWED TO:

- X** Burn garden waste without the corresponding permission
- X** Place the garden waste inside the containers
- X** To abandon garden waste out of the containers
